### Personal Statement

I am a motivated full-stack developer and recent graduate of Makers Academy. Before embarking on my career as a software developer, I was a former Big Four chartered accountant with experience working across teams in a leading global technology company.

Currently seeking a developer position where I can continue to learn new technologies and share my skills to solve interesting problems.

---

---

### Experience

*Senior Finance Analyst*

*Expedia*

*March 2020 - Nov 2021*

- Worked cross-functionally with Product & Technology teams to create and implement customer-focused solutions across different business areas.
- Oversaw process reviews, including creating and implementing procedures to minimise risk and promote consistency across brands. Worked collaboratively with various departments to assess and incorporate stakeholder priorities.
- Led the coupon process redesign across Expedia Group. This project involved understanding and analysing customer experience, market needs, internal user requirements and risk. Final deliverables culminated in several product changes and new business processes.

*Assistant Manager, Audit*

*KPMG*

*October 2015 - February 2020*

- Conducted ISA compliant audits on various clients from FTSE 100 companies to SMEs across multiple sectors.
- Leveraged communication skills to build relationships with clients and senior stakeholders across a variety of business sectors.
- Led on several client engagement opportunities, with strong experience in gathering information, understanding requirements and questioning judgments made. Ability to identify and resolve issues across different business cases.
- Completed the ICAEW ACA qualification whilst working full-time.

*Office & Events Coordinator*

*Centre for the Study of Financial Innovation (CSFI)*

*July 2014 - September 2015*

- Organised a range of professional conferences and research publications focusing on the financial services industry, including fintech and disruptive technologies. Liaised with internal and external stakeholders as required.
- Oversaw general office management, production of video interviews from round-table discussions and management of social media accounts.
